Enter into our junior developed 4 week program. This program continues to build on the athleticism gained in previous levels but now focuses more on HOW to play golf as we continue to build skills and learn rules and etiquette. This program is perfect for 8-11 year olds who are relatively new to golf or have some golf experience. All participants receive a certificate of participation.

## ELITE JUNIOR PROGRAMS

The programs features coaching philosophies and skill development methods designed to help young athletes get ready for the demands of competitive golf at the Provincial and National level. The program is highly comprehensive, covering all aspects of performance, and is demanding of the athlete in many ways. Please inquire with Courtney about costs associated to the program & schedule.

## FUTURE LINKS SKILLS CHALLENGE

Focused on developing key golf skills of putting, chipping, iron play and driving. An exciting skill-testing program with online and interactive components through Golf Canada - Future Links Program. Skills are broken up into three separate age categories: 8 and under; 9-11; 12-14 and 15-18.

It includes a National leaderboard where participants can check their rankings. Results from official sites will be used as qualifiers for the National Event Final at the end of the golf season.

## SVGC MENTORSHIP PROGRAM

Ages 10 & over / Ratio 1:1

### Cost of Round

Are you a junior or a parent looking for your child to learn the game of golf? This program is designed for children 10 and over that are interested in golf and may not have someone to learn the game from. This program is in place so that the child may join a SVGC member for a round and learn all about the game! Email to schedule.
